

The Best in Child and Adolescent Psychiatry and Spring in Spain

JOIN US

as

AACAP and AEPNYA

join to bring

The world's leaders in child and adolescent psychiatry practice and research

for a

spectacular meeting in Donostia / San Sebastián Spain

~~~~~

**Excellent Sessions, Great Food, Beautiful Basque Region and CME, too!**

We invite you to join us at the 60<sup>th</sup> Congress of AEPNYA (Spain's Child and Adolescent Psychiatry Association), that will be held at the Kursaal Congress Palace on June 1-4, 2016 in Donostia / San Sebastián, Spain. This special event is a shared initiative with AACAP (American Academy of Child and Adolescent Psychiatry)

**The reduced registration deadline is Thursday, April 7, 2016.** Visit [www.aepnya-aacap2016.eu](http://www.aepnya-aacap2016.eu) to take advantage of a discount on registration!

### **Programming**

The Congress consists of three full morning Courses, a Clinical Practicum, 25 State of the Science Keynote Lectures, 45 Symposia, and 145 Posters from international participants with simultaneous translation for 80% of the sessions. Visit the updated [PROGRAM SCHEDULE](#) section at the Congress homepage to discover the fact that top experts from around the world will contribute to this joint learning experience.

### **Attractions**

Donostia / San Sebastián is a favorite international destination, and this is a particularly good time to travel while the city is the Cultural Capital of Europe! During the week of the meeting, the *World Puppet Festival* will take place in Donostia / San Sebastián with the best in puppet theatre that will include large-scale outdoor performances. Also, during those days, the Guggenheim Museum, in nearby Bilbao, will offer a temporal exhibit with more than 100 paintings from Andy Warhol. You won't want to miss this once in a lifetime chance to experience this amazing city and learn from the experts in child and adolescent psychiatry from around the world.

**Travel and Lodging**

Visit [www.aepnya-aacap2016.eu](http://www.aepnya-aacap2016.eu) for information on the program, accommodations, and registration. Hotel rooms are going quickly – do not delay in planning your trip!

*Up to 22.5 AMA PRA Category 1 Credits™ for US attendees will be awarded and for non-US attendees Accreditation from the Basque Council of Continued Education for Health Professions is offered by attending this meeting.*
